Instructions:

1. Come together in groups of four. Split the group into half: You will play 2 vs. 2 players.
3. Each couple gets a stack of cards and a pen (different colors)
4. The first couple draws a question and poses it to their opponent team.
5. If one couple guesses **correctly** they can draw an arrow from the country they just guessed correctly to the Netherlands on the provided world-map. Additionally, they get one point.
6. There are a few BONUS QUESTIONS in the game. For these cards, you don't have to draw arrows. But for every correct answer you give you get another point.
7. Enjoy playing!
